Tapicería

Upholstery

We have extensive knowledge in the integration of all decoration processes for the manufacture of a novel and high quality final product.

Our great experience allows us to understand each one of the needs of your project, resulting in a platform in which we can offer you unique and personalized results.

Our extensive range of textiles and products allow you to create a perfect balance between style and practicality, giving rise to rooms with a modern contemporary touch or traditional and classic atmospheres.

Each of them, is characterized by the excellence in decoration and avant-garde, giving you beautiful fabrics of great class as well as functional spaces that will improve your quality of life.

We are a combination of design, innovation and precision that manage to meet the highest expectations and aesthetic requirements of our customers.

Tenemos un amplio conocimiento en la integración de todos los procesos de decoración para la fabricación de un producto final novedoso y de alta calidad.

Nuestra gran experiencia, nos permite comprender cada una de las necesidades de su proyecto, dando como resultado una plataforma en la que podemos ofrecerle resultados únicos y personalizados.

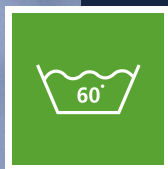

Nuestra extensa gama de textiles y productos te permiten crear un perfecto equilibrio entre el estilo y la practicidad, dando lugar a habitaciones con un toque moderno contemporáneo o atmósferas tradicionales y clásicas.

Cada uno de ellos, se caracteriza por la excelencia en decorado y vanguardia, brindándote hermosos tejidos de gran clase así como espacios funcionales que mejorarán tu calidad de vida.

Somos una combinación de diseño, innovación y precisión que logran cumplir con las más altas expectativas y requerimientos estéticos de nuestros clientes.

Möbelfakta is a sustainability label for furniture owned by IVL and Trä- och Möbelföretagen (TMF). In the database, you will find furniture and furniture series that meet Möbelfakta's requirements in quality, environment and responsible supply chains. The database is open and freely accessible for anyone to search.

Möbelfakta's board is responsible for the content of Möbelfakta. The Criteria Council develops the criteria in accordance with the standard ISO 14024, which means that the products meet environmental requirements set by an independent third party, that the requirements are continuously tightened and that they are developed from a life cycle perspective.

The requirements go hand in hand with requirements for furniture set by the Procurement Authority, Sweden's Municipalities and Regions and ADDA (formerly SKL Kommentus Inköpscentral).

Möbelfakta es una etiqueta de sostenibilidad para muebles, propiedad de IVL y Trä- och Möbelföretagen (TMF). En la base de datos, encontrará muebles y series de muebles que cumplen con los requisitos de Möbelfakta en calidad, medio ambiente y cadenas de suministro responsables. La base de datos es abierta y accesible para que cualquiera pueda buscar.

La junta directiva de Möbelfakta es responsable del contenido de Möbelfakta. El Consejo de Criterios desarrolla los criterios de acuerdo con la norma ISO 14024, lo que significa que los productos cumplen con los requisitos ambientales establecidos por una tercera parte independiente, que los requisitos se ajustan continuamente y que se desarrollan desde una perspectiva de ciclo de vida.

Los requisitos van de la mano con los requisitos para muebles establecidos por la Autoridad de Contratación, los Municipios y Regiones de Suecia y ADDA (anteriormente SKL Kommentus Inköpscentral).

Innovación textil

Textile innovation

– **Protection against fire.** Our textiles are produced with the most rigorous protection regulations.

– **Protección contra incendios.** Nuestros tejidos se producen con las regulaciones más rigurosas.

– **Trustworthy textiles.** Certification for approved textiles against toxic substances.

– **Textiles de confianza.** Certificación para los tejidos aprobados contra las sustancias dañinas.

– **Protection on board ships.** IMO set of requirements for fire protection on board ships.

– **Protección en barcos.** Requisitos de la OMI para la protección contra incendios a bordo de buques.

– **Environmental excellence.** Products meeting high environmental standards throughout their life cycle.

– **Excelencia ambiental.** Productos cumpliendo altos estándares ambientales a lo largo de su ciclo de vida.

Certificaciones Certifications

Environmental Product Declaration

An Environmental Product Declaration (EPD) is a document that provides information about the environmental impact of a product throughout its lifecycle. It typically includes details on the product's environmental performance, such as its energy consumption, greenhouse gas emissions, water usage, and other relevant environmental factors. EPDs are used to communicate transparent and standardized environmental information to consumers, businesses, and other stakeholders, aiding in making informed decisions about products and their sustainability.

Declaración Ambiental de Producto

Una Declaración Ambiental de Producto (EPD, por sus siglas en inglés) es un documento que proporciona información sobre el impacto ambiental de un producto a lo largo de su ciclo de vida. Normalmente incluye detalles sobre el rendimiento ambiental del producto, como su consumo de energía, emisiones de gases de efecto invernadero, uso de agua y otros factores ambientales relevantes. Las EPD se utilizan para comunicar información ambiental transparente y estandarizada a consumidores, empresas y otras partes interesadas, facilitando la toma de decisiones informadas sobre la sostenibilidad de los productos.
